

## We're with you every step of the eWay

eWay, our online case management tool, enables you to manage your case 24/7 from your smartphone or tablet. Complete documentation online, make secure payments, rate our service, and keep up-to-date with your case progress.

Mobile friendly - eWay is mobile-friendly and uses the very best in smart technology, so you can manage your move, on the move, from your smartphone or tablet.

Video guides – eWay has a suite of useful video guides and guidance sections, to help you understand what you need to do.

Interactive forms - you can complete nearly all your documentation using eWay's interactive forms, which are tailored to meet your specific needs.

Case progression - the eWay dial shows you how your case is progressing. Each section is a milestone in the conveyancing process - the fuller the section is, the closer it is to being completed.

Track your progress - you can see all of the actions that you and your dedicated conveyancer have taken to progress your case, including documents that have been completed and calls that have been made on your behalf.

<sup>\*</sup> Please see your quote for more details. \*\*This guarantee means that we will only charge you our legal fee if you move. If for any reason your sale or purchase falls through we will not charge you anything for our time with the exception of the File Opening Fee which is payable once a sale or purchase has been agreed (subject to contract). If we have paid out any additional costs on your behalf we will still need payment for these. Any upfront payments are not refundable but will be credited against costs incurred.
